Zeta Alpha Theta Chi Chapter Newsletter

Alumni Brothers and friends!

There has been a lot that has occurred with the Zeta Alpha Chapter of Theta Chi Fraternity in the Spring Semester and I plan to provide a full summary in a newsletter at the end of the semester. As a matter of fact, our plan is to create a summary newsletter at the end of each semester and share it with the Alumni and friends.

However, there are few things that are currently pressing that I wanted to share with the Alumni and friends that we hope you may be interested in participating in in the next 30 days!

Gamma Pledge Class Installation

We will be installing the Gamma Pledge class on Saturday March 30, 2019 at the Eisenberg Classroom Building on the 3rd Floor beginning at 12 NOON. You can park at the old Student Union and walk to the Eisenberg Classroom Building.

Initiated Alumni are welcome and encouraged to attend the ceremony but are asked to arrive by 11:30 a.m. Suit and tie are required.

SRU Giving Day

Brother Michael Ambrose is coordinating our efforts for SRU Giving Day - March 26, 2019. We will be having a brotherhood event the night of the 25th to stay up till midnight. At the stroke of midnight, we will begin to immediately make donations to win the $1,000 for being one of the first three organizations to obtain 50 unique donors.

However any Alumni and friends can make a donation on SRU Giving Day using our unique URL:

https://srugivingday-clubsorganizations.everydayhero.com/us/theta-chi

and we will receive credit for the donation and the donation will benefit Theta Chi Fraternity. Additionally, the Student Government Association is matching

donations dollar-for-dollar, up to $3,000 to the student club or organization who raises the most money.

Any help you can give will be appreciated!

Sacred Purpose Events

During the month of April the Zeta Alpha Chapter of Theta Chi Fraternity will be conducting two Campus-wide Sacred Purpose Events.

Wednesday, April 3, 2019, 8:00 PM Smith Student Center Ballroom -

Stop the Bleed

The Pittsburgh synagogue shooting was a mass shooting that occurred at the Tree of Life – Or L'Simcha Congregation in the Squirrel Hill neighborhood of Pittsburgh, Pennsylvania, on October 27, 2018, while Shabbat morning services were being held. Eleven people were killed and seven were injured. It was the deadliest attack on the Jewish community in the United States.

Individuals trained in **Stop the Bleed** were credited with helping save lives by applying care before the EMTs were on the scene. Theta Chi Fraternity will offer a Stop the Bleed Seminar to provide training on Campus for anyone interested in learning this valuable skill!

Friday, April 5, 2019, 7:30 PM Smith Student Center Ballroom -

SAVE - Suicide Awareness Voices of Education

Suicide can be prevented and SAVE is here to help. SAVE raises public awareness by organizing a variety positive events in partnership with dedicated individuals and communities across the country. SAVE is partnering with Theta Chi Fraternity and this event will be offered as a campus-wide activity.

The rest of the month of April will be busy as we prepare for finals and keeping that chapter GPA up! We will also be preparing for graduation of 14 of our charter brothers in May and adding them to the rolls of the Alumni!

We will stay in touch and continue to appreciate the incredible support we receive from our Alumni and friends and hope to see many of you at the golf outing in June!
