### **Message from the President of the Alumni Board of the Zeta Alpha Chapter of Theta Chi Fraternity**

---

In these very troubling times we have all experienced tough decisions we have had to make to keep our families safe from the Corona Virus. Plans changed, new courses of action, things we have done for many years cancelled to keep us all safe.

It is for this reason the Alumni Board has made the very difficult decision to cancel the Golf Outing that was originally planned for June 13th. We cannot take the chance that we may be part of further spreading the virus. We truly believe this is the right thing to do.

We were informed that Slippery Rock University has cancelled their fund raising basketball and football golf outings this summer. We were also told they cancelled all camps, tryouts, scheduled activities for the summer.

Because of this we feel our decision to cancel this year's golf outing is the right thing to do in accordance with Slippery Rock University and the State of Pennsylvania guidelines. More importantly if we were to conduct it under the course's strict requirements the event would not provide the brotherhood opportunity for which it was designed in the first place.

But keep your hopes alive. I have already talked to Tam O'Shanter and we have scheduled the 2021 Theta Chi Golf Outing for Saturday June 12th.

I wish we did not have to cancel this year's event but we truly believe it is in the best interests of all brothers.

I look forward to seeing everyone at next year's Golf outing.

Doug Bull
