BOARD ELECTIONS

Now to business:

In the February and March Zeta Alpha Alumni Updates President Pederson sent a call for nominations for three (3) two-year terms to be filled. The terms for these three positions will begin 6/1/2022 and run through 5/31/2024. At that time, he announced that all nominations were to be sent to me at my email address patrickrussell2906@gmail.com by April 1, 2022 and be confirmed by those being nominated that they intend to run. Nominees were asked to

submit a 1 or 2 paragraph letter briefly describing themselves and their background. (such as initiation year and reasons for running.)

As of April 1, 2022 I received three (3) candidates for the three positions available. There information including initiation year are listed here.

Brother John Farrar '75

I have been Treasurer for the Alumni Chapter since its formal inception. I have been honored to help see the organization support the undergraduate Chapter both financially and in brotherhood.

I am running for the BOD again to try to assist in the continued growth and financial support we as alumni can give to the undergraduate brothers thru the "Helping Hand Scholarship."

As a member of the Board, I have worked to support the Alumni Golf Outing and Homecoming activities that bring the Alumni and Chapter Brothers together, allowing us to enjoy the great experiences and memoires we had as undergraduates.

I am a former undergraduate President of Zeta Alpha and have nothing but found memories of my four years at the Rock.

I have lived in Richmond, VA for the last twenty four years and have worked in the building materials distribution and supply industry my entire career. I currently own Richmond's largest residential drywall hanging company with two partners and plan to retire in the next two years.

Daniel Pennell '18

My name is Daniel Pennell. I was a legacy member of the Charter "Alpha" pledge class of the Zeta Alpha chapter of Theta Chi Fraternity.

During my time at Slippery Rock University, I served as the Secretary on the Executive Board as well as the Brotherhood and Alumni Relations Chairman.

While at Slippery Rock, I studied Criminology and Leadership while spending much of my time as a Cadet within the ROTC program as well as a Pennsylvania National Guard soldier. Additionally, I served as an active member of the Leadership Excellence Club. Looking back on my achievements during my years in college, my greatest was juggling my school and fraternity life with my military life, serving while going to school and ultimately leaving college with a commission and Top-Secret clearance within the Pennsylvania National Guard as a 2nd Lieutenant in the U.S. Army Signal Corps.

Since completing my degree in April of 2021, I have been working for the Pennsylvania National Guard on active orders and I will be leaving for some training in Fort Gordon Georgia from May to September. When I come back, I have plans to utilize my Top-Secret Clearance and Information Technology certifications to work as a cyber security military contractor. I would love to be a member of the Alumni Board to be able to give back to my fraternity for all it has given me and to help our current members ensure the future existence and well-being of our chapter. I look forward to this opportunity.

Logan Tupper '18

My name is Logan Tupper and I was a member of the Charter "Alpha" pledge class of the Zeta Alpha chapter. In my time at Slippery Rock University, I served on the Chapter's Executive Board as the Recruitment Chair and Vice President of Health and Safety.

I also served as the Vice President of Finance for the Slippery Rock Student Government Association (SGA) where one of my projects was helping to endow \$250,000 to be used for an SGA student scholarship.

I currently work for Stryker doing sales for foot and ankle medical devices.

I currently am spearheading the T-sign fundraising campaign for the golf outing to support the Helping Hand Scholarship Fund and I am excited for the opportunity to continue to serve on the Alumni Board to strengthen the ties between us brothers and work collaboratively with all of you to ensure the success of the chapter for years to come.
