## PANHELLENIC SCHOLARSHIP

In an effort to promote and maintain our scholastic achievement, we are starting to implement some techniques and devices for improving the Panhellenic Scholarship program.

First of all, a computer program is being set up to organize and collect accurate data concerning Greek GPA. This enables us to select chapters for the Most Improved Scholarship Award and the Panhel Scholarship Cup, which goes to the sorority with the highest GPA.

It will also indicate which chapters are eligible for the Outstanding Sorority Award since the first criteria for consideration states that your organization must have at least a 2.5 average.

Scholarship is being emphasized in the pledge programs, since awards will be distributed similar to the sorority awards.

## INTRAFRATERNITY COUNCIL

On Saturday, Nov. 7, the IRC sponsored their annual flag football tourney. The games ran all day with all fraternities participating. The teams were separated into two brackets. Winners of the individual brackets were Kappa Delta Rho and Phi Sigma Epsilon who met at the final. The game turned out to be the best of the day. KD jumped out to an early 6-lead only to have Phi Sig come back and hold a 14-halftime edge. From there scores see-sawed until Phi Sigs jumped to a 30-14 lead. KDR fought back to a 30-2 deficit with no time remaining and the extra-point left. This was Phi Sigma Epsilon's second consecutive IFC championship. Congratulations!!!

## THETA CHI

Once again this year, Theta Chi will be active during November in a month long effort in raising funds for the National Diabetes Association. During this semester our house has had a great deal of remodeling done. Our National Board of Trustees have generously supplied the funds for a new porch and interior remodeling. Sometime in early spring a new roof will be added to these other new additions.

# Grapplers place 6 in tourney

By RAMONA MESSINA  
Rocket Sports Writer

Slippery Rock's grapplers started their streak early with six place-winners at the Fifth Annual Slippery Rock Open Wrestling Tournament on Nov. 7.

All-American Anthony Calderaio, a junior, placed first at the 130 pound weight class for the third consecutive year.

Junior Don Henry also gained the title at the 150 pound weight class.

Juniors Jerry Johnson at 140 pounds and Keith DeGraaf at 160 pounds took seconds.

The third place winners included freshman Ed Fitzpatrick at 120 pounds and junior Steve Roberts at the 150 pound weight class.

One hundred-forty-one wrestlers competed in the tournament. Tough competition at the tournament came from: UPI, Pitt, Allegheny, Kent State, Cincinnati, Lehigh, and Edinboro.

Coach Powell explained, "I am extremely proud of the support we received from the students, faculty, Mr. Philip Haag, his staff, and wrestlers' parents."

"They all were very helpful and displayed unity and eagerness to make the tournament a success. I would like to thank everyone who helped out and those who came to watch," added Powell.

More fun and more prizes! That is just what the Intramural Association is offering in its up-coming Run-4-Fun.

For all of those who participated in the Halloween Run-4-Fun, you know just what we mean. For all of you Turkeys who did not and do not, you will have to come to SRSC's Annual Turkey Trot.

All runners and joggers are invited to come and take part in this great event! However, varsity runners are not eligible for this first place prize, but are eligible for prizes that will be raffled off at the end of the race.

The race will begin at 11:30 a.m. (common hour) on Nov. 19. It will begin in front of the Field House and follow a course around the campus and finish where it began. The course will be two miles in length.

Organizational meetings have been set for co-ed volleyball and broomball. Both meetings will be in the bullpen on Nov. 16. The volleyball meeting will be at 8:30 p.m. and the broomball meeting follows at 9 p.m. All teams are reminded that not sending a representative to these meetings will result in the loss of their forfeit fees.

The jinx on being ranked number one may not be a myth. Five teams in the NCAA held that spot and lost in upsets. Not a team could even dream of defeating them. Phi Sigs not only dreamed of winning the

game, they did! The final score was 22-20 in favor of Phi Sigs.

Phi Sigs came into the men's flag football game on a natural high after their win over the Nads. The game was like a nightmare for the Dream Machine as Phi Sigs handed them a humiliating 46-16 loss in the championship game.

In women's flag football action, the championship was determined in a hard fought battle that did not see high scoring like the men's. I.C. Lights came out on top over the Hell Raisers, 14-7 to become the 1981 champions.

Regular season play ends this week for both men's and women's volleyball. The top teams in each division will then enter a single elimination tournament to determine the champion.

Hot off the wire-service presses are this week's rankings for men's and women's volleyball.
