

Sinkronicity, Hoopsters take title

In the immortal words of Dick Enberg, "Oh my! What a game." The Slippery Rock Intramural basketball championship games for the 1984 will go down as classics as both the men and women played games that more than fit that description.

In the men's division, the young upstarts of Sinkronicity pulled off a great victory over All-World by a 43-42 count in front of nearly 600 screaming fans. The Sinks capped off a perfect season with the win, but not without a struggle.

To get to the finals they had to beat the defending champion Franchise in the game of the tournament. Curt Williams was the hero as he dropped home an 8-footer from the baseline as the clock expired, giving his team a 51-50 victory. Jim Palazzo had earlier hit a long jumper from the corner to give the Franchise the lead, setting the stage for William's heroics.

In the other semi-final bout, All-World jumped on the Tronics early and held them off thanks to a great performance by Bill Walton. Besides Williams, the other members of the champion Sinkronicity

squad are Brian Hoover, Bruce Bittler, Doug Mehok, Jerry Faureau, Darrell Richards, and Brian Brezicki.

The women's final was every bit as exciting as the men's. Last year's champion, the Super Troupers, were back in the finals looking for another mug to add to its collection where they swared off against the Hoopsters. After 40 minutes of action the two teams were deadlocked at 39.

A three minute overtime saw the Hoopsters hit the deciding bucket then hold off the Troupers for a 41-39 triumph. To get to the finals, the Hoopsters ran by RJ7 while the Super Troupers knocked off the Omegas.

The members of the winning Hoopsters squad are Linda Huffman, Carolyn Rennekemp, Renee Reed, Diane Walker, Annette Tann, Becki Schaefer, June Beckwith, and Sherry Werner. The Hoopsters were coached by Mary Vaughn.

In other basketball news, Theta Chi was crowned Fraternity champion by beating Alpha Phi Alpha last Monday night.

In 2 on 2 competition held

last weekend, the men's squad of Franchise II were victorious over the 37 twosomes entered in the event. The winning members are Matt Drobnik and Jim Palazzo.

The female couple of Diane Walker and Annette Tann, the Dynamic Duo, were victorious over the 13 women's teams at the event. The second place teams were the Reds of Lane Baker, Tommy Edwards, and the Aces/Duces squad of Renee Reed and Carol Moss.

Indoor soccer has taken up the spotlight down at the Fieldhouse with games every night from 6:00 to midnight. There are 32 mens teams and 8 women squads battling for playoff berths and a chance for a famed intramural mug.

Softball will be getting its start next week with men, women, and co-ed teams all ready to go. Coaches of the teams are reminded to attend the organizational meeting on Monday at 4:00.

The *Intramural Corner* would like to apologize for its lack of reporting on the recently completed wrestling competition. The men involved put in much time and effort and deserve some positive ink from the press. The winners of this years intramural wrestling competition were:

Wgt. Class	Champ
125 lb.	Jim Brady
145 lb.	Mark Gensimore
155 lb.	Mark Biss

160 lb.	Mike Gilbert
165 lb.	Mark Hoffman
185 lb.	Tom Fretts
Hwt.	Thomas Sivco

Congratulations to these and all of the wrestling participants.

The calendar of upcoming intramural events is full and students are urged to get involved in one or all of the activities. We will be offering golf and tennis in the spring, golf being an individual event while tennis will be of the co-ed doubles variety.

In addition, the last of our run-for-funs is set for April 12. More information concerning these activities can be obtained at the Slippery Rock intramural office in room 109 of the Fieldhouse.

Ruggers rip St. Bonaventure

SRU Shamrock rugby team journeyed to St. Bonaventure, New York, last weekend and came away with a 10-8 victory.

St. Bonaventure got the only try of the first half to take a 4-0 lead.

In the second half, the powerful SR scrum pushed the ball over the try line where wing forward Tony Dougherty dove on the ball to tie the score at 4.

Minutes later, the Bonnies

came back with their second try of the game to take the lead, 8-4.

With time running out, the Rock ruggers drove down the field and tied the score on a try by Eric Wekilski. Shawn Orr

made the two-point conversion to put the Shamrocks on top for good and give them their third win of the season.

The Shamrocks also won the B side game, 18-9.

In an excellent effort, the

young ruggers came from behind to overcome the Bonaventure hosts B team.

Scoring tries for the B side were Rob Gurecka, Karl Prohaska, Chris Courtney and Jacques Thillet.

An extremely difficult two-point kick was made by Greg Bado.

The Rugby team will travel to Youngstown this Saturday for a tri-meet with Youngstown State University and West Virginia University.

Softball team looks to exploit quickness

The women's softball team is looking forward to a season similar to its impressive 15-3 record in 1983 and a third place finish in the State Tournament.

Head Coach Jan Kasnevec has many returnees who have given Slippery Rock the reputation of having a consistently strong defense. Assisting Kasnevec is Graduate Assistant Darlene "Shorty" Bullock who was selected as first team Academic All-America at second base last year.

Returning players who should see many varsity starts include seniors Debbie Abbate, Jeanne Bloom, Deb Feather, Annette Schulte, Leslie Weimer, and Denise Wianecki; and juniors Tracy Brothers, Cheryl Stevenson, and Elaine Ventura. Also expecting quite a bit of playing time are junior Barb Shenk and sophomore Sherry Werner.

Junior Carol Perez, sophomores Kim Knarr, Sharon Lambert, and Andrea Wahnowsky will round out the squad with help from freshmen Shelly

Collins, Linda Derk, Joanne Leight, Colleen McCurdy, Laurie Schoenleber, and Kris Yachett.

Feather and Wianecki are the team's co-captains.

The Rock already has a solid defense, so it will concentrate on improving the team's overall batting average and making use of the players' speed by bunting and stealing.

Feather and Stevenson will share the duty as starting pitcher, while Wahnowsky and Yachett will come in as relief.

"We have a lot of versatile players who can play both infield and outfield," Kasnevec says. "The conference is tough and we have a challenging schedule, but we should be ready for it."

The softball team participates in the Mid-Atlantic region. It will face highly skilled NCAA Division II teams, including Akron who placed third in the NCAA last year.

The season opener is a double-header at California State University on April 5. The first home game is April 7 against Duquesne at 1 p.m.
