Greek Week ended on Sunday after a week of competition, events and many awards given.

The announcement of Greek God and Goddess started the events on Wednesday. Greek God is Gerald Hallman of Theta Chi and Interfraternity Council President. Greek Goddess is Molly Zimmerman of Sigma Sigma Sigma and the Panhellenic Council President.

Following that announcement, the torches were lit and representatives from fraternities and sororities ran with

them through the campus to kick off the chariot races.

Sororities and fraternities were paired and a girl rode in the chariot carried by fraternity men.

Alpha Phi Alpha, Sigma Pi, and Delta Zeta won the chariot races.

After murderball, track and swimming events, and Greek Bowl, Saturday was the All Greek Picnic. There were events and refreshments served all afternoon.

Saturday ended with the Air-Band contest. There was a 25¢ admission charge and about \$125 was raised for the Slippery Rock's Childrens Park.

A new award was presented by the Greek Week Co-Chairpersons, Patty Irr and Eric Rhodes. The Spirit Award was given to the chapter that displayed the most spirit as judged by the chairpersons. Alpha Phi Alpha was named the first recipient of this award.
