Hines places first

The Slippery Rock men's cross country team lost at home to Pitt-Johnstown in a close dual meet on Saturday.

Junior Craig Hines from Slippery Rock and Eamon Manning, a senior marketing major from Eatontown, N.J., ran fine races for the Rock, finishing in the top two spots with times of 26:19 and 26:24 respectively.

SRU standout harrier James Garrett was unable to compete due to a knee injury. "That really hurt us," said coach Keith Driftmier, adding, "we probably should have won."

Pitt-Johnstown had a couple of high school all-staters running Saturday, but the Rock fared well.

"I was very pleased with our first three finishers. Our back kids disappointed me in that they didn't give our front-runners enough support, but all in all I was pleased," said Driftmier.

Both the men's and women's teams go back into action this Saturday when they host Lock Haven. Students are encouraged to attend the Shippensburg football game, as the harriers will begin their meet with six minutes left in the first half, and will return before the half is finished.
