ΘX

The Zeta Alpha chapter of Theta Chi fraternity was founded on the campus of SRU in 1964. The official colors are military red and white. The fraternity flower is the red carnation. Presently there are approximately 50 active brothers.

The members believe that they exemplify the true meaning of brotherhood; dedication to education, leadership, and social skills. Any brother who seeks assistance will know that he will receive it. The creed states, "Extend a helping hand to all who seek it."
