

February 3, 2015 Alumni Newsletter

Brothers, Little Sisters, and Friends:

Wow, it's February 1 already. Doesn't time fly? It's been awhile since my last newsletter and I wanted to just touch base on a few issues.

Since I last reported, we have lost two brothers from our Chapter, John Rusnak and Russell Truman. Both passed away in 2014, John in August and Rusty in October. I recently order their Alumni Bricks from the Slippery Rock Alumni House. Their bricks will be placed with the other memorial brick for our Chapter. I did receive a confirmation letter from the Alumni House. The bricks are usually engraved in the summer, and placed by Homecoming. We do have a nice section of the Alumni House patio dedicated to our brothers eternal and to honor those men we called brothers.

The twenty-third Annual Zeta Alpha Alumni golf outing will be on Saturday, June 13 this year. Mark your calendar's now for that weekend. I will be sending more details in the next several months pertaining to this great event. All suggestions are gladly accepted on making this event even better. I do know one thing; the price of the dinner will increase by a few dollars. Last year the price of the steak did go up prior to the outing, and we we're a few dollars short, but we was able to come up with the short fall and pay the club. I will be in contact with John from Tam's in the next few weeks to see what the current pricing for the patio dinner will be come June.

Brother Ken Sherwin is hosting a Summer Picnic for the brotherhood this summer at Presque Isle Park in Erie. The family picnic will be held on Saturday August 15 at Shelter 1. It will be bring you choice of picnic food, drinks, and a dish to share. Charcoal grills, and grilling utensils will be provided. For further information please [email Ken](#) at or visit the "Theta Chi ZA Family Picnic" Facebook page.

That's it for this newsletter. If you have any news or stories you want to share in any future newsletter please email them to me.
